Y6 – Children prepare for the transition to secondary school, including exploring any worries or anxieties they may have.</p> <p align="center"><b><u>No Outsiders</u></b> The Girls by Lauren Ace and Jenny Loulie</p>
<b>Science</b>	<b><u>Properties and Changes of Materials</u></b>	<b><u>Animals Including Humans</u></b>

	Children learn about different materials, their uses and their properties, as well as dissolving, separating mixtures and irreversible changes. The children will sort and classify objects according to their properties. They will explore the properties of materials to find the most suitable material for different purposes.	Children will learn about the life cycle of a human being. They will investigate the development of babies and compare the gestation period of humans and other animals. They will recap the changes experienced during puberty (covered in RSHE in Autumn 2) and why these occur. The final investigation will be about the changes to the body as humans get older, as well as comparing the life expectancy of different animals.
History	<u>Anglo-Saxons and Vikings</u> Children learn about the struggle for the kingdom of England, including the Viking raids and invasion.	
Geography		<u>Our Changing World</u> Children will discover some of the many ways in which the world around them is changing. From coastal erosion to political changes, there are many factors at work. Children will learn about the structure of the United Kingdom and how its shape and geography have changed over thousands of years. Using an online database of photographs, children can explore how landscapes change. Children will have the chance to predict the future and look at which might change again in their lifetimes.
Art and Design		<u>Dragon Eyes- Drawing- Beowulf</u> The children will look at mythical art work to create their own dragon eye, adding colour using pastels.
DT	<u>Baking Unit</u> Children will design, make and evaluate a savoury biscuit to sell.	
Computing	<u>History of Computers- Creating Media</u> Children write, record and edit radio plays set during WWII, look back in time at how computers have evolved and design a computer of the future.	<u>Inventing a Product- Skills Showcase</u> Designing a product, pupils: evaluate, adapt and debug code to make it suitable and efficient for their needs; use a software program to design their products; create their own websites and video adverts to promote their inventions.
PE	Class Dependent- refer to P.E Long Term Plan	Class Dependent- refer to P.E Long Term Plan
Music	<u>KAPOW - Dynamics, Pitch and Texture (Theme: Fingal's Cave)</u> Appraising the work of Mendelssohn and further developing the skills of improvisation and composition.	
French	<u>Mrs Powell (Every Friday)</u> Children will learn how to say what they like to do in their leisure time.	<u>Mrs Powell (Every Friday)</u> Children will learn to say and write the alphabet.

		They will also learn how to write simple words in French.
