

As part of their end-of-year celebrations, Mrs. Hassan has gifted Marcus Rashford's new book to the Year 6 pupils. The message from the book about being resilient and striving to be the best that you can be is one that Mrs. Hassan would like to pass on to each and every one of our pupils as they leave us and embark on their high school journeys.

We have been using the recent, abhorrent events in football as part of our PSHE lessons in school - events that have saddened and sickened us. We have endeavoured to educate the children on how to help eliminate racism and celebrate the diversity of our nation.

It is the hope that reading Marcus' book, and learning more about his contributions both on and off the pitch, will inspire and motivate pupils to follow their dreams and be champions too.
