

Phonics and Reading in Key Stage 1

Phonics

Our children in reception and key stage 1 follow the Monster Phonics programme.

Reading Schemes

Our reading scheme is Monster Phonics and our children access this through the actual books and e-books at home. We also give our children access to ORT phonics texts, Songbirds, fireflies and Project X.

Alongside these schemes, we encourage our children to read a wide and varied selection of 'real' books which they enjoy.
