

Phonics and Reading in Key Stage 1

Phonics

Our children in reception and key stage 1 follow the Monster Phonics programme.

Reading Schemes

Our reading scheme is Monster Phonics and our children access this through the actual books and e-books at home.

Alongside Monster Phonics we encourage our children to read a wide and varied selection of 'real' books which they enjoy. The children take home a 'read to me book' that they have chosen from the class library.
