

Science Subject Specific Long Term Plan

Phase	Autumn Term 1	Autumn Term 2	Spring Term 1	Spring Term 2	Summer Term 1	Summer Term 2
EYFS:	Cycle A: Myself and my 5 senses Cycle B: Myself and my 5 senses	Cycle A: Plants Cycle B: Plants	Cycle A: animals and their habitats Cycle B: animals and their habitats	Cycle A: Living things in my environment Cycle B: Living things in my environment	Cycle A: animals and their habitats Cycle B: animals and their habitats	Cycle A: materials – magnets, waterproofing Cycle B: materials – magnets, waterproofing
KS1	Cycle A: animals including humans - humans Cycle B:	Cycle A: animals including humans - Animals Cycle B: Materials and their properties	Cycle A: Cycle B: Plants	Cycle A: Materials Cycle B: Living things and their habitats, food chains	Cycle A: Plants Cycle B: seasonal change	Cycle A: Seasonal change Cycle B:
LKS2	Cycle A: Forces and Magnets Cycle B: Rocks	Cycle A: Sound Cycle B:	Cycle A: States of matter Cycle B: Animals including humans	Cycle A: Cycle B: Electricity	Cycle A: Plants Cycle B: Living things and their habitats	Cycle A: Human Body Cycle B: Light
UKS2	Cycle A: Animals including humans Cycle B: Evolution and inheritance	Cycle A: Cycle B:	Cycle A: Famous Scientists and inventors Cycle B: Living things and their habitats	Cycle A: Cycle B: Earth and space	Cycle A: Properties and changes of materials Cycle B: Light	Cycle A: Animals including humans Cycle B: Electricity
Cycles	Cycle A: 2021-22 Cycle B: 2022-23
