

## Seagulls' Book Blog 20.05.21

Welcome to Seagulls' Class Book Blog. We have been reading King Kong by Anthony Browne during our English lessons.

King Kong is a giant gorilla, a huge monster of an ape who lives on a remote island. This exciting story involves battles with dinosaurs, daring rescues and incredible escapes!

We can't wait to read on to follow this amazing adventure. We have just started reading this monster of a story but we are thinking it will take us on an incredible journey into the heart of the unknown.

We have spoken to several children in our class to see what has drawn them into this story. Charlie said, “It is definitely as exciting as Percy Jackson. I am really looking forward to discovering the characters – especially the one of the beast, King Kong.”

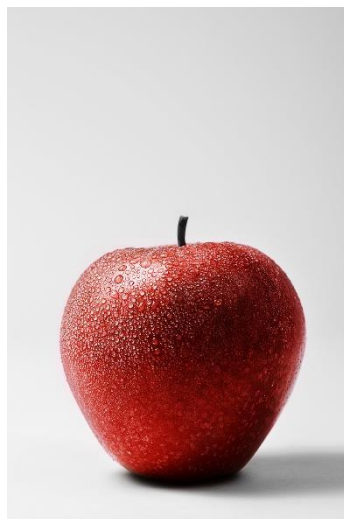

Lily said, “It is an amazing book and I just want to hug King Kong.” (Rather you than me!)

Gracie said, “ This is turning into a mysterious story (almost as good as Kaspar) I’m expecting great things.”

So far, we rate this book

85% out of 100%

If you like our blurb about this monstrosity of a gorilla,  
CARRY ON READING KING KONG!!!!

Our blog today was written by Henry and Gracie.
