

# Agencies and Partnerships

The school enjoys good working relationships with a wide range of people who provide services to children with SEND and their families, particularly when a child is demonstrating further cause for concern or their learning need is more complex and persistent.

The external specialists may:

- Act in an advisory capacity
- Extend expertise of school staff
- Provide additional assessment
- Support a child directly
- Suggest statutory assessment is advisable
- Consult with all parties involved with the child

These include:
