September 2018

Dear Headteacher and Chair of Governors

I would like to pass on my congratulations to you, your staff and your governors for the tremendous outcomes you have achieved for your children as demonstrated by the last set of end of key stage results. As you know, the Local Authority continues to monitor school performance and I wanted to acknowledge your success as a school in securing such excellent pupil achievement.

Your school demonstrated considerable success in the following measures:

- *Key Stage 1 – Highest percentage in the authority achieving the expected standard in reading*
- *Key Stage 2 – highest progress in reading*
- *Key Stage 2 – highest progress in writing*
- *Key Stage 2 – highest progress in maths*

This is a tremendous achievement for your pupils.

All the best for the coming school year and I look forward to continuing to work in partnership with you.

Yours sincerely

Lana Totty
Chief Adviser
