Dear Parents

## Building Works

We are delighted that Phase 2 of the building project commences on Monday 13<sup>th</sup> May for a duration of 12 weeks. This phase is for an additional small group intervention room and will provide further provision for the pupils.

The contractors will set up a site compound in a section of the Staff Car Park thereby closing any access from this area to the Main Reception and Junior playground. There will also be a slight change to the existing arrangements at the end of the school day:

- Junior children (who have siblings in the Infant school) will leave via the main hall onto the Infant Playground.

We trust that any disruption will be kept to a minimum and apologise in advance for any noise or disturbance during this period. If you have any queries do not hesitate to contact the school.

Yours sincerely

*N Hughes S Williams*
