

Dear parents and carers,

The 18th May is National Numeracy Day, a day dedicated to everyday maths, organised by the charity National Numeracy.

It's a day that celebrates the importance of numbers for children and adults and inspires everyone to improve their numeracy skills.

We have lots of, fun activities planned for your children to take part in at school with the aim of helping them feel positive about numbers. There will be lots of themed number fun with celebrities dancing, baking with Numberblocks, rapping and lots more.

We encourage all children to come in dressed up as Number Heroes. They could come dressed in clothes with numbers on or dressed as their favourite numbers, favourite mathematician, TTRS character, favourite Numberblock character, calculators, rulers, shapes, or anything related to numeracy. However, you choose to interpret the theme, we hope children will join us in celebrating numbers.

One of the best ways to support children to feel positive about numbers, is to feel confident yourself. National Numeracy has lots of free resources to help you support your children with numbers and to boost your numeracy too! Please visit www.nationalnumeracy.org.uk/numeracyday to find out more.

We look forward to have a numeracy filled day on 18th May!

Many thanks for your continued support

Miss Brown
