Our Virtues, Vision & Values

The Bishop Hogarth Catholic Education Trust has adopted the following virtues, vision and values to guide us in our mission and to underpin all that we do:

Our Vision

Our schools will be places of excellence – providing service and witness to children, their families and the wider Catholic community, adding value as a family of schools and enriching the learning and experience of all our young people so they may achieve their full potential.

Our Values

The following values underpin everything the Trust and our Schools will do:

BEING Just and Responsible

We seek to act justly, fairly and responsibly in all our relationships to ensure ‘The Common Good’ is upheld.

PROMOTING Spiritual and Human Development

We believe a knowledge of and a personal relationship with Christ gives meaning and purpose to our lives.

ACHIEVING Quality in Teaching and Learning

We believe everyone should gain dignity and self-worth through quality teaching and learning which allow all in our school community to excel.

SHOWING Respect for Every Person

We believe that all are created in the image of God and therefore we will respect the unique and intrinsic value of every person, promoting equality and celebrating diversity.

CREATING Community

We believe our schools to be faith communities where Gospel values of truth, honesty, forgiveness and reconciliation are lived and where there is special care for those most in need.

COMMUNICATING

We value the views and opinions of the communities whom we serve and will actively engage and respond.

Public Sector Equality Duty

The Equality Act 2010 replaced all previous discrimination law. It has simplified the law and extends protection from discrimination in some areas.

School must adhere to the following:

- Protection against discrimination is extended to pupils who are pregnant or who have recently given birth, and pupils who are undergoing gender reassignment
- It is now unlawful for employers to ask health related questions of applicants before job offer, unless the questions are specifically related to an intrinsic function of the work
- New positive action provisions will allow schools to target disadvantage experienced by pupils with particular protected characteristics
- It is now unlawful to victimise a pupil for anything done in relation to the Act by a sibling or parent
- The Act will extend the reasonable adjustments duty to require schools to provide auxiliary aids and services to disabled pupils
- The previous specific duties on schools have been combined into the new Public Sector Equality Duties (PSED)
- There is a requirement to have an Access Plan to improve access for disabled pupils

Protected characteristics:

It is unlawful for a school to discriminate by treating individuals less favourably because of their:

- Sex
- Race
- Disability
- Religion or belief
- Sexual orientation
- Gender reassignment
- Pregnancy/maternity
- Marriage and Civil Partnership

Children and young people under the age of 18 have limited protection under the Age characteristic. It is lawful to treat people differently because of their age in circumstances where the law allows, or requires, people to be treated differently because of their age.

Aims to eradicate discrimination

We believe that a greater level of success from pupils and staff can be achieved by realising the uniqueness of individuals. Creating a prejudice-free environment where individuals feel confident and at ease is a commitment of the school. This environment will be achieved by:

- Being respectful
- Always treating all members of the school community fairly
- Developing an understanding of diversity and the benefits it can have
- Adopting an inclusive attitude
- Adopting an inclusive curriculum that is accessible to all
- Encouraging compassion and open-mindedness

We are committed to having a balanced and fair curriculum. We believe that our pupils should be exposed to ideas and concepts that may challenge their understanding, to help ensure that pupils learn to become more accepting and inclusive of others. Challenging and controversial concepts will be delivered in a way that prevents discrimination and promotes inclusive attitudes. We will also respect the right of parents to withdraw their children from certain classes which pose conflicts to their own beliefs.

Dealing with prejudice

We do not tolerate any form of prejudice-related incident. We will not tolerate any forms of violence and abuse, whether physical or verbal, that is directed to any of our staff, volunteers or pupils.

Our pupils are taught to be:

- Understanding of others
- Celebratory of cultural and religious diversity
- Eager to reach their full potential
- Inclusive
- Aware of what constitutes discriminatory behaviour

The school's employees will not:

- Discriminate against any member of the school community
- Treat other members of the school community unfairly

The school's employee's will:

- Promote diversity and equality
- Encourage and adopt an inclusive attitude
- Lead by example

Equality and dignity in the workplace

We do not discriminate against staff with regards to their:

- Age
- Disability
- Gender reassignment
- Marital or civil partner status
- Pregnancy or maternity
- Race
- Religion or belief
- Sex
- Sexual orientation

Equality of opportunity and non-discrimination extends to the treatment of all members of the school community. All staff members are obliged to act in accordance with the school's various policies relating to equality.
