2nd April 2026

Dear Parents and Carers,

We are writing to ask for your continued vigilance regarding your child's access to online apps and platforms. We are aware that there is an app called **CapCut**, which is not suitable for children under the age of 12. The app may expose younger users to mature content, including sexual themes, violence, and inappropriate language.

To support families in staying informed, the April edition of our monthly Online Safety Newsletter includes helpful guidance about a variety of current apps, risks, and steps you can take at home to keep your child safe online.

We kindly ask that you:

- Monitor your child's use of online apps and devices carefully.
- Speak with your child at home about the safe and responsible use of online tools.
- Check age ratings and content descriptions before allowing your child to download or use an app.

If you have any concerns at all, or would like advice about online safety, please contact school. We are always here to help and work together to keep every child safe.

Thank you for your continued support.

Yours sincerely,

S. Sinclair
