Dear Parents and Carers,

On Monday 12th January 2026 Year 4 will be going to Teesmouth Field Centre to enhance their learning in Geography and our coasts topic. The day will begin with classroom-based activities, focusing on coastal features and the impact of climate change in our local area as well as using compasses and maps. The children will then visit North Gare Beach to identify the coastline features, use of compasses in the field, habitat exploration and building sea defences on the beach. The children will also visit Seaton Carew to assess the current sea defences and how they could be improved. This is a fantastic experience to practically explore what they have been learning about during class lessons.

A voluntary contribution of £12.83 towards the cost of the bus and trip would be appreciated, the deadline for payment is Thursday 8th January 2026. If contributions are not sufficient to cover the cost, we will follow school policy, and the trip will be cancelled, full refunds would be given to those who have paid. In the event of a child missing the visit, for whatever reason, we are unfortunately unable to issue refunds. There will be a payment item added to My Child at School (MCAS). Please email the school office if you have any difficulties logging in office@stpauls.bhcet.org.uk

The children will require a packed lunch and a drink. The school cook can offer a packed lunch for those children who normally take school meals. Please email office@stpauls.bhcet.org.uk or complete the slip below if you would like a school packed lunch, indicating which sandwiches your child would prefer.

We will need some volunteers to ensure that the visit can go ahead. These will be allocated on a first come first served basis. Please contact the office if you are available to help.

Many thanks

Mrs Craft (Geography Lead) and Mrs Pemberton
