20<sup>th</sup> September 2024

Dear Parents/Carers,

We are delighted to inform you that we will be offering after-school Maths Booster classes every Monday, starting from **Monday 30th September**. These sessions are designed to provide additional support, helping children to build confidence and deepen their understanding of maths. The classes will be led by Mrs. Wilson and Mrs. Sinclair.

While attendance is optional, we believe this free, personalised tuition is a fantastic opportunity for your child to benefit from focused, one-on-one guidance. The sessions will take place immediately after school, from **3:15 pm to 4:15 pm**.

For your convenience, we are offering two options for when the session ends:

1. **Pick-up:** You may collect your child from the main entrance at 4:15 pm.
2. **Walk Home:** If it is more convenient, you can give permission for your child to walk home independently after the session.

Please note that we will reassess the walk-home option after the half-term break, as the evenings will start to get darker earlier.

To help us with planning, kindly inform the school office if your child will be attending and whether you will be collecting them or if they will walk home [office@stpauls.bhcet.org.uk](mailto:office@stpauls.bhcet.org.uk)

If you have any questions or need further information, please don't hesitate to contact us. We look forward to helping your child through these fun and enriching booster sessions!

Kind regards,

Mrs. Wilson
