'The vision of PE within St Paul's Catholic Primary School is to inspire, challenge and motivate pupils so that they can thrive and express themselves in a wide range of sporting activities.'

13th June 2024

Dear Parents and Carers,

The week beginning 17th June is National Sports Week and our children are already looking forward to our annual sports days.

We are also excited about the start of the European Football Competition and looking forward to supporting England as they compete in Germany. To mark this competition, we are holding our own European football competition on Friday 21st June with the support of Infinity Football Skills. The purpose of this is to encourage fair play, teamwork and self-belief and for the children to enjoy themselves. This competition is inclusive and children will be put into mixed ability teams by their class teacher and will be given a team name of one of the countries competing in the tournament. We are asking that children come to school that day ready for playing football in the colours of their team. We do not want to cause any additional financial pressure on parents so if children do not have any shorts or tops in the colour of their team they can come to school in their PE kit. Children will bring home a slip of paper with their team name on. Children are also to come to school in their PE trainers not football boots. Children can wear shin pads if they have some.

Our nursery and reception children are also involved in the day with a mini competition and focus on football skills. They will not be given a team name, however, they can come to school that day wearing the colours of any of the teams competing in the tournament or in their PE kit.

As the classes will be playing at different times of the day, we regret to say that no spectators will be allowed at this competition. We are looking forward to seeing you all on sports day.

Thank you for your support.

Sharon Tattersdill
PE and School Sport leader.
