Dear Parents and Carers,

I hope this letter finds you well.

I am delighted to share with you the Ofsted Inspection report which we have received following the inspection of St Paul's on 5th and 6th November, 2024.

I hope you agree that the report captures the strength and unity of our school community and celebrates the wonderful contribution made by our children, staff and governors, as well as our wider Trust and Diocesan community.

I would like to personally thank you, as our parents and carers, for your unwavering support. I know that many of you took time to contribute to the parent survey and your feedback was part of many conversations over the two-day inspection and contributed greatly to the outcome judgements made by the inspection team.

I am honoured to lead such a wonderful school as St Paul's and am always grateful and most appreciative of the support you give.

As always, if you would like to discuss any part of the report in more detail, then please do not hesitate to contact me.

Yours sincerely

Sheena Sinclair
