31st October 2024

Dear Parents and Carers,

We are delighted to invite you to the launch workshop for our Early Years Home Learning Resource (Learning Links) on Thursday 7th November, at 5:00 pm. The workshop will last no longer than 45 minutes.

During the workshop, you will:

- Receive a resource pack filled with engaging activities for your child
- Learn how each activity is designed to support your child's development and readiness for school
- Explore the learning principles behind the tasks and understand how they link to key areas of the Early Years curriculum

We will take you through examples of how the resources can be easily incorporated into daily routines at home to enhance your child's learning. Our team will also explain how these activities foster critical skills that will benefit your child as they progress toward school.

We are particularly proud to share that this resource was awarded the Shine Trust's "Let Teachers Shine Award", which is given to innovative education projects that have the potential to make a meaningful difference. The Shine Trust is a national charity that supports teachers in developing tools that help improve educational outcomes for children. Being recognised by the Shine Trust underscores the value and potential impact of these resources in supporting your child's early education journey.

If you require childcare to attend the workshop, we will have additional staff available to look after your child in the nursery during the session.

Please let us know as soon as possible if you can attend by emailing confirmation to the school office at office@stpauls.bhcet.org.uk

We look forward to sharing this exciting resource with you and discussing how it can support your child's learning.

Yours sincerely,

Mrs V Wilson, Mrs R Cooke, Mrs J Williams

In Him we Live and Move and Have our Being
