HOME LEARNING WITH SEESAW

Hi St Paul's Families and Students,

While our school is closed, we will use Seesaw for home learning. Seesaw helps us work together to provide students with meaningful learning experiences at home.

We will use Seesaw to share learning activities and resources, capture your child's learning, and communicate about student progress and needs.

Below are steps for setting up Seesaw at home and additional resources to help you support your child during this transition.

Set up your child in the Seesaw Class App:

1. For devices like tablets or phones, download the **Seesaw Class App**. For laptop or desktop computers, **go to app.seesaw.me**
2. Click **I'm a Student**
3. We provided home learning codes: **Enter the text code.**

If you have any questions, feel free to email the school website **office@stpaulsrc.org.uk**.

Thank You
