

What does French look like at St Peter's?

Children learn through practical and interactive activities which develop their spoken and written language skills and encourage them to learn more about the culture.

What do we do in French at St Peter's?

French is taught weekly in KS2 with the support of our scheme which is fun and engaging. The topics covered include; basic greetings, introductions, numbers, animals, body parts, clothing, food, classroom objects, instructions and routines.

"I really enjoy French because I learn new things. When I go to France I can speak to the people." Josh

"I like playing fun games. If I go to France it will be easier to make new friends." Eva

Children enjoyed making 1st of May - fête du muguet cards

"I liked trying the snail because it was something new to try. It was nice and wouldn't have tried it if I didn't get the chance at school" Liam

Events and learning opportunities

In addition to a wide range of practical lessons, children have the opportunity to attend a French club where they can learn some songs and French traditions.

We also hold a French day where children get an opportunity to taste different traditional French foods.

In addition, the library has a selection of books and visual aids to help support learning.

Our Impact Statement

By the time the children leave St. Peters they are emerging linguist who have a range of vocabulary on different topics. They understand simple sentence structure and basic grammatical rules. They are able to speak with an accent and have been immersed in French Culture.
