

Headteacher Message

Good afternoon,

Welcome back to school for the final half term before the summer holiday! As always, the school diary is getting very busy with lots of events taking place.

The fathers / significant adults event held today has been a great success and it has been lovely to have so many family members coming to school and enjoying the activities with their children. A huge thank you to all our staff for all of their work behind the scenes in making this event happen and supporting on the day.

Next week we have the AMAZING SUMMER SOCIAL!

Our School Worship and Christian Characteristics

This week our focus has been worry and trust.

Did you know that phrases such as "Do not worry" "Don't be afraid" appear in the bible 365 times. We discussed different things that may worry us and strategies to support our feelings.

Rev. Mark led our worship on Trust and some of our Y6 children joined in an activity where they had to put their trust in others.

Sporting News

It was great to take part in the Netball Tournament this week. Three teams represented the school and worked really hard. They played their matches with smiles on their faces and were great at encouraging their team mates.

Well done to all our players across the three teams and a huge thankyou to our supportive parents! Thank you to Mrs Owens for ensuring we could participate in this sporting event.

School Lunches

This week we met with the LCC catering team manager and have made some adaptations to the school meal menu. Sarah and her team in the kitchen do an amazing job and we want to make sure the menu appeals to the children. Therefore, we have reduced some of the less-popular pasta options and added a few alternative choices on the menu. We will continue to try the menu, monitor choices and if needed make a few more tweaks.

All children in EYFS – Y2 are entitled to a universal free school meal and some children are entitled to free school meals. Please encourage your child to take up this offer. There is variety every day and lovely summer treats for pudding!

Next week, we will be on Week 1:

General Reminders

Arrival Times

Please continue to aim for the 8.35am drop off when the gates open. They close at 8.45am prompt. We have an action-packed final half term with so many things to learn and enjoy. We really do want to ensure children do not miss these events and activities, particularly if they are running late. As always, if you are struggling to get your child into school, please contact us and we will be happy to try and provide tips and guidance to help improve the situation.

Spring / Summer Clothing and Sun Safety

As we hope for the weather to improve (!) we ask that you send your child(ren) to school with a sunhat and full water bottle and having applied suncream on the morning before school. As with the usual unpredictable weather, we still recommend to pack a lightweight raincoat (just in case). All items to be clearly labelled please, including cardigans and jumpers which seem to be filling up our lost property box at a very fast pace! Thank you

Breakfast and Afterschool Club

Breakfast Club

Mrs Durnan and the Breakfast Club Team would appreciate if you have any good quality toys / games / activities / unwanted and unused puzzle books and puzzles for KS2 that you no longer use, please could you bring them to school. Whilst we have a great supply of activities and games, we like to try and rotate these and always appreciate any donations / the opportunity to re-use items that may be gathering dust at home to give the children something different to enjoy. Thankyou in advance!

Breakfast and Afterschool Club Forms (Autumn 2024)

In preparation for the new academic year, we have been preparing the booking forms for both breakfast and afterschool club. These will be handed out over the next week to the children who already attend either club, with some having already been distributed.

Anyone who wishes to request a place at either club for children who do not already attend, will be able to collect a form from Wednesday next week. We ask that all forms are returned by Friday 5th July, so enable the club managers to process the requests, confirm places and add to ParentPay ahead of the summer holiday.

Parents who have a child starting Reception in September will be given a copy of both forms as part of their welcome pack and we ask wherever possible for the same return date to be adhered to, along with return of the other new starter forms.
