

Headteacher Message

Good afternoon,

Firstly, we just wanted to say a huge thank you to the Friends' who organised the summer social event that took place last Friday. It was a lovely evening for families with wonderful activities for the children to do. These events take a lot of organising, setting up and clearing away! However, they do make great school memories and are enjoyed by all. Also, thank you to the other parents that joined in to help with setting up and clearing away at the end of the evening – it really is appreciated.

This week we held our Reception 2024 intake parent information evening. It was great to see so many siblings joining the school and also new faces who will be joining our St Peter's family. We look forward to seeing them all next week for the next set of activities designed to create a smooth transition into school life.

Next week we are hoping to have sports day on Wednesday 3rd July. This will be weather dependent and we will go ahead as long as it is dry and no torrential rain. For our new reception parents please bring camping chairs / blankets to sit on and remember your trainers for the parent race! Parents have an allocated area where they can be seated. We kindly ask that you do not come to your child(ren) as they will be seated in their house teams and supported by the allocated staff.

We will be selling bacon and sausage buns for £2.50 each – cash only payment accepted. Hot / cold drinks will also be sold by the Friends. We are hoping for another fantastic sports day.

The Friend's have a tuck shop in the school playground at 3.15pm today so please come along to see what treats are available. Items are either 50p or £1 with cash payment preferred. Thankyou

Have a wonderful weekend,

Mrs Dodd and the team at St Peter's

Our School Worship and Christian Characteristics

What is courage?

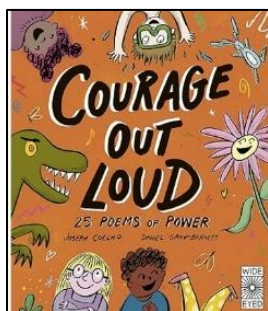

- Courage is being able to face your fears.
- It is having the inner strength to be the best you can be.
- Courage is doing what you know is right, even when it is very difficult.

This week our Monday worship focussed on Courage. We heard the story of David and Goliath and discussed times where we show courage or act in a courageous manner.

Rev. Mark led worship on Tuesday where we found out lots about Saint Peter.

Y3 Book Recommendation

This week in book club Year 3 read and enjoyed a range of poems from the book 'Courage Out Loud' by Joseph Coelho and Daniel Gray-Barnett.

This linked to our worship theme this week, as you can see above. It is lovely to see books that can reiterate our worship messages to children so they can continue to learn and grow with our Christian characteristics.

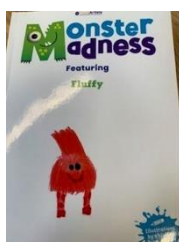

EYFS Request

Mrs Daly and our EYFS team are continually improving our indoor and outdoor spaces. We are keen to make our EYFS spaces very natural. These cable drum reels are upcycled to create great spaces in EYFS classrooms. We are therefore asking if anyone is able to donate a cable reel. Mrs Daly, is keen to have at least one wooden cable reel in her EYFS space. If anyone is able to help, please contact the school office.

Monster Madness – Young Artists

We are pleased to announce that some more of the children's work has been published in a book. Our Afterschool Club children recently took part in a drawing competition where they drew and named a range of monsters. The work has been published and looks amazing! Well done to all the children involved.

Food Bank – Donations

Thank you for your continued support with your donations to Morecambe Bay Community Foodbank.

Whilst we indicate a class a week, anyone can donate. We have our donation area just in the main entrance to the school.

We are so grateful for your continued contributions!

Sporting News

We are delighted to announce that we have achieved the School Games Gold Mark Award for the 2023/24 academic year. The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success.

Monday 24th June – Y6 to Salt Ayre

Thank you to the parents for your support in transporting the Y6 children to and from Salt Ayre on Monday. We had some lovely feedback on how well organised the event was and the children enjoyed the activities.

On Monday evening children from Y2 – Y6 attended the Cross Country event held at Overton. Given how very hot the day was, the children did incredibly well and put every ounce of energy into the event whilst representing the school brilliantly! Here are the results from the event if you haven't already found these on our Facebook page...

Stars of the Week

Stars of the Week receiving a Headteacher Award are...

Class	For...
Skylarks - Felicity	Being a super independent learner.
Sanderlings - George	Having a positive attitude towards learning.
Oystercatchers - Harry	Your kind, friendly and positive presence in the classroom.
Eider Ducks - Niamh	Working hard this week on being honest with others
Turnstones - Samuel	Displaying fantastic Ukulele skills and having a wonderful positive attitude.
Dunlins - Ada	Always being respectful, kind and ready for learning.
Lapwings - Emma	Always being kind, thoughtful and inclusive. Your loveliness shines through everyday.
Curlews - Alba	Bringing positivity into the classroom. You are a ray of sunshine

We are also really proud of our children who are actively involved in raising money for different charities. Thank you to the parents / families and children for sharing these wonderful acts of kindness with the school. It is a fantastic demonstration of our values and vision; "ensuring children go out into the world with compassion and the advocacy to have a positive impact on the world around them."

Afterschool and Breakfast Club

As we are approaching the end of the school year, we need to know the number of children who will require places at our Breakfast and Afterschool club provision, ensuring we can fulfil the staffing ratio requirements. Our numbers on both wraparound care teams have been increasing and as a school we need to make sure adequate staffing levels are in place. If the number of children exceed our staff ratio, we may need to limit spaces which is something we really do not want to do.

All forms for Breakfast and Afterschool Club should have been sent home with all children who currently attend these clubs. For anyone wishing to request a place for their child(ren) in Autumn Term 2024 who do not already attend, please collect a copy from the school office. Please ensure all forms for Autumn Term 2024 are returned by Friday 5th July at the very latest.

We also need to ensure that all remaining balances are **fully cleared** by the end of the summer term (Tuesday 23rd July). If you have any outstanding balances on either Breakfast or Afterschool club by the time you request your place for next term, we will be unable to confirm your place until the balance has cleared which may impact your child attending in September. Thankyou

Upcoming Trips and ParentPay

Alongside all the other wonderful activities going on across school this term, we have a number of school trips and ParentPay will look rather busy in line with these activities. **We need to ensure parents have completed all trip documentation including lunch orders, at least 2 weeks prior to trips taking place. The school kitchen have to order the food in advance to ensure they have enough to cater for the packed lunches.**

We still have outstanding consent and information for children in Reception, Y1, Y3 and Y5 who have trips coming up. If this information is not completed for your child at least two weeks prior to the trip, they may have to remain in school. We have rigorous checks to undertake prior to trips taking place and parental consent is key to enabling your child to be taken off the school premises.

The majority of our trips now have parental consent, emergency contact, medical, allergy and lunch choice information required to be processed via ParentPay, in addition to payments (where applicable) so that all information is kept in one central place.

Please check on ParentPay to see if you have any outstanding items that require attention.

You should have a paper copy (and in some cases, an electronic copy) available for all trips which will contain deadline dates for ParentPay to be completed. If you have lost this, please contact the school office for another and we will happily provide one.

Many thanks for your cooperation in ensuring we can run trips smoothly and have all details available in good time!

Does your child want to learn to play an instrument? Music Curriculum Developments

Our curriculum will offer all Y3 children the opportunity to learn the Ukulele for two terms. However, there may be other children across school that have musical interests.

As part of our music curriculum developments, we are looking at wider opportunities for children to learn instruments. We have two music teachers who are interested in delivering music tuition. This can be delivered as a small group or 1:1. At this stage we are only seeing if this is something of interest. As lessons, should not impact on the learning curriculum and would have to be either lunchtime or after school.

One teacher can teach ukulele, keyboard, drums, guitar or music technology.

We have been provided with details from another teacher who delivers guitar / ukulele. Any additional music tuition of this nature would have to be fully charged to parents.

If you are interested, can you please raise your interest with Miss Dillane – Music Leader by **Friday 5th July** at the very latest, by sending an email to the school office, who will then forward it to Miss Dillane to ascertain interest. We can then look at feasibility and costings and will respond accordingly.

School Lunches – Update

Please call the office and pre-order your child's lunch choice for the day if they are running late / plan to be at a scheduled appointment.

Themed Lunch – Last Day of Term - Reminder

Our 'Goodbye Year 6' themed lunch will be on the last day of term (Tuesday 23rd July). If you would like your child(ren) to have this lunch on the day, please ensure you pre-order here: <https://forms.office.com/e/QuNVPJpagx> or by scanning the QR code on the poster on the notice board, **by Friday 5th July** at the latest. **Late orders submitted after this date will not be processed.**

As we approach the end of the school year, we need to remind all parents of Y2 children that lunches from September will be charged at a cost of £2.60 per meal as they will be in KS2.

We are sending out the meal eligibility form to all Y2 parents. If you are unsure we ask that you complete the form and return. This does generate additional funding (Pupil Premium Funding) for school.

We have these forms available in the school office for anybody who would like one – please feel free to collect one at anytime. Thankyou

General Reminders

Uniform

We only have just over 3 weeks left of the school year. We are aware that as we approach the end of the school year, children are growing out of their school shoes or their school shoes are becoming worn / damaged. We do not expect any parent / carer to be buying new school shoes at this time of the year. We therefore have some flexibility with footwear until the new school year. Please ensure your child does not wear open toe sandals. Trainers / PE trainers can be worn where school shoes have been damaged or are too small.

Hats and Suncream

With the sunshine finally making an appearance (no matter how brief), it is important that the children are protected from the rays. Please ensure your child brings a clearly labelled sunhat and has suncream applied before school. You are welcome to send a labelled bottle of suncream into school, provided your child is confident in applying this themselves.

Lost Property

There is a large amount of lost property again in school. Especially, with the warmer days we have experienced. Cardigans, jumpers and other items are piling up. Please come and check lost property. Please also label your child's clothing and items – a biro pen on the label will be just as effective as a personalised label! Any unlabelled lost property at the end of the school year will be donated to the uniform hub.
