OUR CHRISTIAN VISION

Flourishing Together
John 10:10

*"I have come in order that you might
have life- life in all its fullness"*

Our vision is for every child to go out into the world equipped with the skills, confidence and character to thrive, and with the love, compassion and courage to make a positive difference. We want every member of our school family to flourish spiritually, academically and personally so that they may live life in all its fullness.

How We Realise Our Vision

We realise our vision by nurturing a community shaped by the Christian values and characteristics found in the

Fruit of the Spirit:

love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control
(Galatians 5:22-23).

These values guide our relationships, shape our curriculum and inspire our actions. They help us create a caring, hopeful and inclusive school where everyone is known, valued and encouraged to grow.

We live this out by:

- Teaching a broad and balanced curriculum that develops the whole child
- Nurturing personal, emotional and spiritual growth
- Serving others with love and compassion, especially those in need
- Confronting injustice and encouraging courageous advocacy
- Caring for creation and acting as responsible stewards of God's world

Through these commitments, we enable each member of our school community to flourish and to reflect God's love in all they do.

SCHOOL TRIP

Our class will have the opportunity to visit Leighton Hall and learn how Stone Age people lived in the spring or summer term.

(Details on dates and costs will be circulated closer to the time - this year's trip was £25.50).

READING

- Accelerated Reader (AR) – short quiz after reading book
- Children should aim to read their AR book to you **at least three times a week**. Please sign their reading record when you hear your child read and add any comments if you wish to.
- Please ensure your child brings their reading record and books to school daily.
- Let us know if reading at home becomes difficult — we are here to help.

Children should be encouraged to read a variety of texts and should also be read to (e.g. a bedtime story) just for the enjoyment of reading.

HOMework & PRACTICE

Alongside reading, children will:

- receive **weekly** spelling and handwriting practice. This will be given on a Wednesday and needs to be returned by **Tuesday**.
- be encouraged to access **Times Tables Rockstars (TTRS)** to practise their times tables and be set times tables challenges.
- occasionally bring home additional homework linked to the wider curriculum.
