

At the community level, we must be surrounded and supported by, and contribute collaboratively to, strong support systems, institutions, resources, norms, and security that will help us all flourish.

C. Whittingham, Foundation governor

*The magic of community is that we all have something to bring. If we're all made in God's image, then the fact that we're all made different must be part of the big plan. 'Flourishing together means having the awareness to use your gifts to help when needed and to have the humility to be helped'*

*L. Dawson, Foundation governor*

We will embody the dignity and humanity of family members united by love of our Father and saved by Grace. We will walk tall and towards God's plan for our lives, our school and the wider community, we will be having fun as we go. There will be much to celebrate, and we invite everyone to join in.

K. Aspinall, Chair of Governors

*Flourishing*  *together*
