Sports Premium Funding 2025-26

Vision for Sports at St Peter's:

At St. Peter's we aim to instil a passion for PE and sports to ensure that every child has the opportunity to be the best they can in their PE lessons, sport and active playtimes. Through physical education and sport, we aim to teach our pupils new skills and show them how to improve in a safe and stimulating environment. By providing a wide variety of sporting opportunities both in school and off site, our pupils will become healthy and active young people ready for the next stage of their lives. We strive to give children the opportunity to compete internally and with other schools to instil values of determination, respect, encouragement, body language and communication.
