Writing

- Use subordinate clauses in sentences.
- Use passive voice where appropriate.
- Use expanded noun phrases to provide complicated information (e.g. the fact that it was raining on sports day).
- Use a sentence structure that meets the requirements of the task.
- Use semi-colon, colon and hyphen to mark a boundary between ideas.
- Use colon to introduce a list.
- Use correct punctuation.
- Use hyphens to avoid awkward line breaks.
- Use full range of punctuation to meet the requirements of the task.
- Use wide range of connectives within and across paragraphs.
- Use paragraphs to structure the text (e.g. scene, action, mood).
- Write legibly, fluently and at a steady speed.
