Here is Vicar Fred. He helps us in school to learn about Jesus Christ. Jesus Christ was the son of God who lived 2000 years ago.

He was a kind, understanding man who died on the cross to save us. At this school we show we love Christ in lots of ways.

1. We go to Church and take part in assemblies every day in school.

2. We follow His commandments.

3. We sing hymns celebrating how wonderful He is.

4. We take part in prayer, by ourselves and with others.

5. We learn about the stories that Jesus told his disciples. They help us to understand how to

6. We help our families.

7. We are thankful for everything we have, from equipment at school to a beautiful day.
