

St Peter's Primary Foundation Class

St Peter's is happy to announce we can now offer a place in our Foundation Class from the age of 3. The Foundation class will be made up of both Reception and Pre-school children, working together under experienced Early Years teachers Mrs Langridge and Mrs Lees. Children of pre-school age will be given a key worker, who will direct their learning ensuring it matches their needs and moves them on.

The School Day

Session 1 9-12:00pm - The children will not have opportunity for lunch.

Session 2 12:00 -3pm - The children will have their lunch at 12.

Children can bring a packed lunch from home or order a sandwich bag from the kitchen at an additional charge. The Foundation class is open term time only.

Uniform

We would like our pre-school children to wear:-

- Red logo polo shirt.
- Grey skirt / trousers / shorts
- Red gingham dress - Summer uniform (Easter to October half term)
- Grey school cardigan or jumper.
- Sensible black shoes with white or grey socks / tights.

Curriculum

The children will have a variety of experiences in our Foundation class. The learning will be based on the Early Years Foundation Stage and covers:

- Personal, Social & Emotional Development.
- Communication & Language.
- Physical Development
- Literacy Development
- Expressive, Arts & Design
- Mathematics
- Understanding the World.

They will be learning through exciting topics such as space, dinosaurs, growing and harvest. The children will be involved in continuous provision choosing whether to build something in the construction area, learn through play in the sand or water pit or create in the art area. The learning will be pitched at the correct level for the child ensuring they are engaged as well as challenged.

Social Time

During the morning all children will sit together, sharing milk and fruit provided by the school. This will be a social time where the children can share over lunchtime. Children will play in the outside area attached to the Foundation class rather than on the whole school play ground.

Cost

30hrs and 15hrs funded places available. Additional sessions at £15 morning or afternoon.
