Class News:

We are proud to launch the **Year 6 Ambassadors Scheme** again this year for our wonderful group of Year 6 pupils. Mr Hollywell launched this with the children who have selected the Ambassador role that they would like to take on and have written beautiful letters to Mrs Yarnold requesting that role. The pupils will now have a mini-interview with Mr Hollywell and one of our Governors. The Ambassadors Scheme will see the pupils taking on lots of responsibility across the school.

The Year 6 pupils have accepted the challenge of improving their outdoor area which faces the main playground. They have created fantastic graffiti artwork for their names which will be displayed on the brickwork outside their classroom. This is going to brighten up this working space and certainly a good start at improving the outdoor area. Well done Year 6!
Mrs H Yarnold

In Science Year 4 have been learning about how to make a high pitch and a low pitch. We created our own set of pan pipes to investigate this.
