## Year 2 Forest School – Bug Hunting

On Tuesday, Year 2 enjoyed a Forest School session focused on bug hunting. The children explored the woodland area carefully, looking under logs to discover which minibeasts are active at this time of year.

Everyone showed great curiosity whilst remembering to handle living creatures gently. The children were very successful and found up to 14 different minibeasts, including insects, spiders and other small creatures that emerge during spring.

The PTFA at St. Peter's Primary School are fundraising to create a new pond which will be used by pupils and the wider community. The pupils would like to use the pond for Science lessons and to encourage more wildlife into our school grounds. Please help us to raise the funds needed to create a new pond area. Thank you.

We are excited to announce a new School Ambassador scheme here at St. Peter's. Following a special assembly in school, the Year 6 pupils are now School Ambassadors for subjects and topics right across our curriculum. These include Sports Ambassadors, Maths, History, Art, Events, Thrive, Eco, Admin and Technology Ambassadors. The Year 6 pupils look forward to helping out in lessons across the school and to stepping up to this new role of responsibility. The photograph shows some of the new Ambassadors wearing their

badges with pride. Well done Year 6.

Thank you to the PTFA for the money raised to buy new sports kit. These are worn when children go out of school to compete against other schools and represent St. Peter's at sporting events across the county. The children look incredibly smart in their new St. Peter's t-shirts and jackets – also helping to keep them warm in the cooler weather. Thank you so much to the PTFA for providing these for the children. Please keep supporting the PTFA events and get involved if you can offer some of your time. We'd love to see you at the School Bingo on Thursday 30<sup>th</sup> April, 6.30pm at Bishops Frome Village Hall.
