Ofsted Report

I am extremely proud to finally be able to share with you the outcome of our recent Ofsted Inspection which took place on 7th and 8th May 2025. I am thrilled for our pupils and school community to be able to share that the school will retain the overall judgement of GOOD, maintaining the standards of the previous inspection.

May I take this opportunity to thank you all for your incredible and valued support for St. Peter's. Please take time to read the report in full which can be found at the link below, taking you to the school website.

The report will also be published on the Ofsted website within 5 days.

Reception

Over the last few weeks, **Reception** have enjoyed learning about different countries and how they differ from or are similar to where we live. We have been impressed with how enthusiastic the children have been and their super knowledge about the world around us. The children enjoyed learning about Africa including African culture, animals, clothing and food. We made fruit smoothies which was a big hit!

This week we have started to learn about Italy and the children liked making their own pizzas. **Mrs H Bufton**

Expressive Arts Week next week

Next week in school will be a very exciting and vibrant week as we celebrate being able to express ourselves through the Arts. We have a number of visiting artists and musicians booked to work with the children in a series of engaging and hands-on workshops. These include: Freestyle Footballer Jamie Knight (Monday); Abass an African drummer and percussionist (Tuesday); a Wonderful Woodwind ensemble (Thursday); iRock Music Lessons forming our own St. Peter's Rock Band (Thurs); Steel Pan lesson for pupils in Y5/6 (Thurs) and Junk Band workshop for pupils in Y3 (Fri). Class teachers are also busy preparing Arts-themed lessons for their classes next week – we look forward to a wonderful week.

Nursery

Each week four Nursery children cook or prepare a snack for their friends, we call it '*MasterChef Monday*'. Our Monday MasterChef's this week were Rosa, Diego, Jacob and Josh. They made delicious strawberry jam tarts for everyone. They were so hot that the children took them home for a lovely tea time snack. **Mrs H Ranford**

Year 5

This week, **Year 5** have been busy starting their Design and Technology projects. They have been sewing their letters onto fabric ready to decorate them with spring flowers to make their illuminated letters. They have also started to learn about the Anglo-Saxons and Vikings and are keen to find out more. We welcome any resources and facts that they want to share with the class. **Mrs S Smith**

Year 6 Legacy Project

This week, Year 6 have been busy preparing ideas for raising funds towards a 'Leavers' Legacy'. After generating some initial ideas, they voted for their favourite - To raise money to regenerate the pond area.

In groups, they are now planning some exciting fundraising events, which will take place each Thursday and Friday lunchtime, starting from next week (June 12th). They are inviting the children from across the school to bring in some money (50p or £1) to spend on activities such as, 'Guess the name of the Teddy', 'Guess how many marbles in the Kindness Jar', 'Fastest to complete an obstacle course' and 'A Box Sale (mini car boot)' to name but a few of their ideas.

Other events in the planning are: a cake sale, candy sprinkled popcorn sale, slush drinks and fruit kebab sale - WATCH THIS SPACE for the dates for these! Please help support our Year 6's to raise as much money as possible so they can 'Leave their Legacy' with us at St Peter's.

Thank you. **Mrs S Nash**

Volunteers

This week is volunteer week and we are so grateful to our team of volunteers who selflessly give their time and skills to support our pupils. Many thanks to our team of volunteers for all that they do! We truly value your time, your dedication and your experience and expertise. Thank you! **Mrs H Yarnold**

Sun Cream Policy

We recommend that parents apply 'all day' sun cream to their children before school on summer days. We strongly request that sun cream is not sent in to school for children to apply themselves: it is our experience that this is an unsatisfactory arrangement leading to cream not being properly applied and other health and safety concerns.

School staff are not normally at liberty to apply sun cream to children. In exceptional circumstances, where it is not possible (e.g. due to special needs) for a child to use 'all day' cream, parents are requested to contact the school to make special arrangements.

The warm weather means lots of outside opportunities in school so please make sure your child has sun lotion on, wears a sun hat and brings in a water bottle.
