News:

Year 6 enjoyed two mornings this week with PC Jo Utley as part of the STAR Programme. The children learnt about healthy life choices, specifically relating to drugs, smoking and alcohol. To finish the programme, the children tried to catch a ball wearing 'beer goggles'.

Forest School sessions began this week for Y6 pupils with a focus on the following skills: whittling, making hammocks, using a flint and steel and lots of digging! **Mrs Yarnold**

As part of Tourette's Awareness month, during assembly today, the children were given (age appropriate) information of what Tourette's is and how it may present itself. More information can be found at <https://www.nhs.uk/conditions/tourettes-syndrome/>

Attendance:

Attendance this week is 94.5%

If your child is well enough to attend school, please send them as it is vital they attend school as regularly as possible. If your child has been off school with a sickness bug, they only need to be 48 hours clear before they return. Absences must be reported daily either via message through the MCAS app, emailing gunwin@st-peters.hereford.sch.uk or calling the school on 01885 483237.

Highest Class attendance this week goes to:

YEAR 6

Sun Cream Policy:

We recommend that parents apply 'all day' sun cream to their children before school on summer days.

We strongly request that sun cream is not sent in to school for children to apply themselves: it is our experience that this is an unsatisfactory arrangement leading to cream not being properly applied and other health and safety concerns.

School staff are not normally at liberty to apply sun cream to children.

In exceptional circumstances, where it is not possible (e.g. due to special needs) for a child to use 'all day' cream, parents are requested

to contact the school to make special arrangements.

The warm weather means lots of outside opportunities in school so please make sure your child has sun lotion on, wears a sun hat and brings in a water bottle.
