This week, **Year 6** have been learning about how water and nutrients are transported around our bodies. We used skittles to demonstrate how, when skittles are put into water, the colour diffuses out, mimicking how the nutrients make their way into our bloodstream. **Mrs H Makins**

## Attendance:

We have had a strong start this term with attendance, thank you. Attendance this week is 95.4%

A reminder that if your child is well enough to attend school, please send them as it is vital they attend school as regularly as possible. If your child has been off school with a sickness bug, they need to be 48 hours clear before they return. **Absences must be reported daily either via message through the MCAS app, emailing [gunwin@st-peters.hereford.sch.uk](mailto:gunwin@st-peters.hereford.sch.uk) or calling the school on 01885 483237.**

*As per the letter sent out recently there has been a change to the national guidance regarding term time holidays. We are unable to authorise any term time holidays now unless there are exceptional circumstances. This is a decision taken by Herefordshire Council and is beyond our control. Thank you for your understanding.*
