## Year 6 Teaching Arrangements

16.5.25

Dear parents and carers,

As I write this letter, the Year 6 pupils are busy celebrating the end of their week of SATs, having focused hard to do their very best. They have conducted themselves brilliantly each morning with determination, perseverance and a clear and calm manner. They all deserve a special treat this weekend! I definitely think that the cooked breakfasts have helped – thank you Mrs Miles for organising and cooking breakfasts each morning this week.

I would like to take this opportunity to thank parents/carers and the wonderful Y6 staff who have all played their part in preparing the pupils in such a positive and calm way. Mrs Makins, Mrs Miles and Miss Ryding (student) have all taken Year 6 under their wings and helped to shape their Y6 journey. Thanks also to our Chair of Governors, Mr Pete Gallagher, who has joined us weekly to help to teach our Y6 mathematicians.

Mrs Makins will begin her maternity leave after May half term, her last day with Y6 will be next Friday 23<sup>rd</sup> May. She is certainly ready to put her feet up for a little while before baby number 2 arrives. We wish The Makins Family all the very best for the arrival of a new baby. Little Hattie is going to be a fabulous big sister!

For any pupils transitioning to another High School, please notify me of the transition dates for your Y6 child if they are different to these please.

We will make sure that the final half term at St. Peter's is enjoyable and memorable with lots of wonderful experiences planned for the remainder of this term. See separate letter for dates.

Yours sincerely,
