## **Youth Sharing Event** **Saturday 18<sup>th</sup> October 11.00-12.30**

Dear Y6 parents,

Last summer, the Y6 pupils took part in a rural media project called 'Points Of View'. This was led by a lady called Toni Cook who helped the children to create a wonderful film about their community through drama and poetry. This film can be viewed on the St. Peter's School website. Please take a look if you haven't seen it.

Toni was incredibly impressed by our pupils and has invited them to attend the Youth Sharing Event on Sat. 18<sup>th</sup> October which will be held in St. Peter's Church 1.00-12.30. The film will be shown at the event and Toni would like some of the St. Peter's pupils to attend and to take part in the event.

If your child is willing and available on Sat. 18<sup>th</sup> October, and would like to attend, please complete the reply slip and return to me (Mrs Yarnold) as soon as possible please. I will also be attending the event, flying the flag for St. Peter's once again.

Please return the slip asap.  
Yours hopefully,

Mrs H. Yarnold
