This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2022/2023) – ST PETER'S PRIMARY SCHOOL

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
Increment of various sporting tournaments throughout the year.	Wider range of sports activities and opportunities for pupils to participate enabling pupils to experience competitions and learn new skills.	Funding 22/23 £17,630
Sports coaching to Staff	Improving sustainability of quality provision.	Overall, the PESSPA provision here at St Peter's Primary is excellent. We have a broad curriculum that pupils report as enjoying and feeling confident in, with high quality teaching and learning. We have a vibrant and varied co-curricular provision that is well attended, especially by SEND pupils. We enter the majority of competitions and our pupils have many opportunities to participate in school sports, either through afterschool club participation and/or competitions.
Increase in the variety of sports activities	Activities in and out of school provided for all year groups (R-6) so that pupils can engage in regular physical activity. Also, provides opportunity for pupils to find out if they are good at different sports. Encourages team working.	
Sports activity focusing on EAL pupils	Allowing EAL pupils to participate in sports activities enabling them to improve their communication skills through sport.	
Sports activity focusing on those pupils identified as lacking confidence, resilience and struggle with challenges.	Improving self-esteem, confidence through sport
