

### Pupil Premium Grant 2018-2019

At St Peter's we have a shared philosophy of equality of opportunity and experience for all. We prepare our pupils to be lifelong learners, critical and collaborative thinkers and global citizens, who meet the challenges of life with confidence, optimism and enthusiasm.

We strive to ensure that our children are given every opportunity to realise their full potential regardless of background.

Our key objective is to use the Pupil Premium Grant to narrow the gap between pupil groups and eliminate any barriers to learning.

#### What is Pupil Premium Funding?

Pupil Premium is an allocation of additional funding provided to schools to support specific groups of children, who are vulnerable to possible underachievement.

These include children who receive free school meals; those looked after by the local authority and the children of armed service personnel. It is provided in order to narrow the attainment gap between those from disadvantaged and more affluent backgrounds.

We use data analysis to identify where gaps need to be narrowed and have a clear aim for what is to be achieved from an intervention. The impact of this is then analysed to make sure it is effective and to see how it could be improved.

In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged.

We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as socially disadvantaged. Pupil Premium funding is allocated on a needs basis, linked to analysis of outcomes for pupils. Limited funding and resources may mean that not all children who receive free school meals will be in receipt of pupil premium intervention at any one time. All schools have to report the amount of Pupil Premium money they have received and the impact it is having on their pupils.
