RE: Read the following and answer seven questions of your choice. Then make a storyboard of the choices made by each son. You may discuss this story and your answers with your parents/carers.

When Jesus was teaching the people, and trying to help them, Jesus told this story about two sons who made choices. Choices always have consequences.

There was once a man who had two sons. He went to the older one and said, "Son, go and work in the vineyard today."

"I don't want to," he answered, but later he changed his mind and went. Then the father went to the other son and said the same thing. "Yes, sir," he answered, but he did not go.

Which one of the two did what his father wanted?

Now Jesus was in the Temple teaching when he told this story, so he said to the people who were listening, "What do you think? Which of the two sons did what his father wanted?" And they all said, "the first."

Matthew 21: 28-31
