

Nazareth Rooms Home Learning week beginning 08.06.2020

Our Topic this half term is Under the sea

Reading:

Over the next two to three weeks we will be reading Billy's Bucket. Please follow the link below.

<https://www.youtube.com/watch?v=h46WN31pIRk>

- Read Billy's Bucket By Kes Gray. Look closely at the pages when Billy visits Buckets are us. Look at the different types of buckets. Draw your own bucket. Draw and make a list of the different types of fish you can see in your bucket.
- Read facts about Fish. See attached Document. Can you draw and label the parts of a fish? E. g. fins, gills etc..
- Remember the Bug Club reading scheme. There are lots of lovely books for you to read!

Phonics:

Each day please also complete handwriting practise and phonics activities.

Handwriting: Throughout this week please practise all 'ladder letters': l, i, t, u, j, y. You need to write each letter lots of times to practise it. Make sure you start and finish the letter in the correct place.

- How many words can you find beginning with the letter 'm'?
- Say the alphabet to an adult or sister or brother. Now say these letters – **Remember, these letters are not in order!**

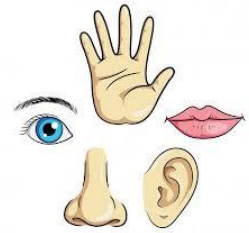

k t o w c j x b
f g h i w p v r
l s u n a z m q

- ❖ Phonics: Use the 'Phonics Play' website – you can access free games for your children. We are working on phase 2 and 3 in school. The website is: <https://www.phonicsplay.co.uk/> but it can also be accessed by typing 'phonics play' into Google. On YouTube, Mr Thorne does phonics is another particularly

good website. <https://www.bbc.co.uk/bitesize> offers a variety of phonics and literacy activities.

Writing:

- Write a sentence to describe what it would be like here.

Write a sentence to describe what it would be like here. Use all of your senses. What can you see, hear, smell, taste, touch.

Here are some words to help you:

Beach, sand, sea, castle, clouds, waves

- Learn to read and write these tricky words. Can you say and write a sentence with each word?

bucket	mum	dad	rock	pool
--------	-----	-----	------	------

Maths

- ❖ Order these numbers from smallest to largest. Ask an adult to make up some similar questions using number flashcards or playing cards.

3	5	1

9	7	4

- ❖ Purple Mash has lots of fantastic games for learning to count and add and subtract numbers. Try A – fish – metic.

❖ Remember to login to Mathletics!

❖ Fill in the missing numbers.

1	2		4		6	7		9	10
---	---	--	---	--	---	---	--	---	----

❖ Can you draw 10 fish and write a number in the middle of each one? Do you have plastic fish that you could play with in a water tray or basin? How many can you catch with a net? If you caught one more how many would you have? If one got away how many would you have?

❖ Number bonds to 10 – Fill in the missing numbers

1. $9 + _ = 10$ 2. $8 + _ = 10$ 3. $_ + 2 = 10$ 4. $7 + _ = 10$ 5. $6 + _ = 10$

Topic – Under the sea

❖ Learn songs and rhymes about fish and the sea and buckets! E.g. There's a hole in my bucket. 1, 2, 3, 4, 5 once I caught a fish alive! Jack and Jill.

❖ **Art and Craft activities**

1.

Picture 1.

2.

2. Using coloured paper cut out the shape of a fish.
3. Cut through the fish 4 or 5 times, making wavy lines.
4. Expand to make your fish bigger, but not losing the shape of the fish.

Picture 2.

1. Using a paper plate or a piece of cardboard cut out the basic shape of a fish. Have lots of different coloured and patterned shapes cut out ready to stick on.
2. Glue the circles on remembering to overlap them to look like fish scales.
3. Draw or stick on an eye.

❖ Talk about the different things that Billy saw in his bucket. With an adult discuss things that you would find in your bucket. Can you draw and label the fish and underwater creatures in your bucket?

- ❖ Visit this website <https://www.visitsealife.com/london/> Using the search engine explore interesting and amazing facts about jellyfish, starfish and crabs. What other sea creatures would you like find out about?
- ❖ Research animals that live under the sea. <https://answersingenesis.org/kids/sea-animals/>
- ❖ Look at these short video clips. How many fish can you name?
<https://www.youtube.com/watch?v=pWvzOiHE9ko> watch first half up to 4.30.
https://www.youtube.com/watch?v=9kj_vwleR6Q Look out for cuttlefish, jellyfish, anemones, sea urchin, crab, eel etc.
- ❖ <https://swiggle.org.uk/> Use this child friendly search engine to find out about animals that live under the sea

Other things you can do at home

- Bake cakes
- Go for a walk
- Play board games
- Play card games
- Take photos
- Dress up
- Make bookmarks
- Make slime
- Build a den
- Exercise videos – YouTube
- Make sock puppets
- Use an old shoe box / paper plate to make an aquarium
- Play with Lego
