Our dishes are freshly prepared each day in your school kitchen, by our highly experienced school cooks and their teams.

We use a huge range of fresh and seasonal ingredients in all our meals.

We purchase as much locally sourced produce as possible.

We are a multi-award winning school meals service, having won a number of prestigious awards for our food and commitment to the school meals sector.

We deliver healthy and nutritious meals to your children, giving them the best possible chance in their academic lives. Research has shown that children who eat a healthy school meal, perform better in class, are better behaved, have more energy and are less likely to have issues around obesity as they grow and develop.
