

7<sup>th</sup> February 2018

Dear Parents/Carers and children,

As you are aware, Mr Craft is leaving our school at Easter after 14 years of highly successful and dedicated service to St Peter's Catholic Primary School as Headteacher, during which time he has worked tirelessly to develop it into the tremendously successful school it is today. I personally want to take this opportunity on behalf of the Governors, staff, students, parents and carers to thank him for all he has achieved and done for the school during this time.

I am pleased to advise you following a rigorous interview process involving Governors and students with representatives of the Local Authority and Diocese, we have appointed Mr Craft's successor for the role of Headteacher, Mrs Clare Scott.

Mrs Scott is currently Headteacher of St Vincent's Catholic Primary School in Dagenham and brings a wealth of knowledge and experience with her. During her time at St Vincent's she has provided an outstanding Catholic education to all the children that have attended the school.

I am sure you will all join me in welcoming Mrs Scott to St Peter's in April and wish her all the best in her new role. I am sure St Peter's will continue to flourish with Mrs Scott as our new Headteacher.

Yours sincerely

*George*
