Reading Booster for all

In order to give our Year 6 children the best possible chance of success in their summer tests we need to allocate more reading time to be able to tackle more adventurous texts. We are asking all the children to come to school at 8.25am for the rest of this term on Tuesdays and Wednesdays. This began on Tuesday 15th January 2019. Thank you for your continued support.

Twitter

The school is now making fantastic use of our school Twitter feed. This is an excellent way for us to showcase what is going on in school, with photos and short video clips. If you have a smart phone, you can download the Twitter app for free and look us up by searching for

There is also a link to our twitter feed on the home page of our school website.

Mathletics

Our school uses Mathletics as part of our Maths curriculum. Mathletics is a targeted, rewarding and captivating online learning resource which is aligned to the National Curriculum. Your child has taken home access to Mathletics, so they can sign in on any compatible computer or device. The extra Mathletics practice at home can make all the difference to your child's progress. Please take every opportunity to use this fantastic resource that is available to your children.

Friday Gospel

The first Friday of every half term we will be welcoming Parents to read the Gospel in the Friday Celebration assembly. Please see Mrs Scott, Miss McBride or Mrs Barnes if you would like to read.
