Friday 15th February 2019

Dear Parents and Friends,

Core Values

On Monday we introduced the third of our Core Values, which is **COMPASSION**. In assembly this afternoon 6A will share what compassion means to them.

Compassion

Safety Week

During Safety week this week we have been lucky enough to have the police force and the dogs trust visit us. A big thank you to all the parents who attended our digital safety session, hope you found this useful.

This Lent we are making a silver and copper collection for Cafod. Please could you send your child in with 1p, 2p, 5p, 10p, and 20p coins for their collection box in class. A separate letter has been sent out this week with more information.

Nursery Application for September 2019

Applications are now available to pick up from the school office for children starting Nursery September 2019. This is for children that were born between September 2015 and August 2016 and you would like them to attend St Peter's Nursery. Applications need to be submitted by Friday 15th March to The School Office.

Child Absence

If your child is not coming into school, please call the school office by 10am on the first day they are absent and let us know the reason.

Reading Booster for all

In order to give our Year 6 children the best possible chance of success in their summer tests we need to allocate more reading time to be able to tackle more adventurous texts. We are asking all the children to come to school at 8.25am for the rest of this term on Tuesdays and Wednesdays. This began on Tuesday 15th January 2019. Thank you for your continued support.

Twitter

The school is now making fantastic use of our school Twitter feed. This is an excellent way for us to showcase what is going on in school, with photos and short video clips. If you have a smart phone, you can download the Twitter app for free and look us up by searching for

[@stpetersdag](https://twitter.com/stpetersdag)

There is also a link to our twitter feed on the home page of our school website.

Mathletics

Our school uses Mathletics as part of our Maths curriculum. Mathletics is a targeted, rewarding and captivating online learning resource which is aligned to the National Curriculum. Your child has taken home access to Mathletics, so they can sign in on any compatible computer or device. The extra Mathletics practice at home can make all the difference to your child's progress. Please take every opportunity to use this fantastic resource that is available to your children.

Friday Gospel

The first Friday of every half term we will be welcoming Parents to read the Gospel in the Friday Celebration assembly. Please see Mrs Scott, Miss McBride or Mrs Barnes if you would like to read.

Best Class Attendance & Best Class Punctuality of the Week

Each week we will be informing you of the classes that have the highest attendance and the best punctuality
