

## Newsletter Number 30

Thursday 7<sup>th</sup> May 2020

Dear Parents and Friends,

On Sunday we are expecting an announcement from the government which is possibly going to include details of a potential re-opening of schools. We have been assured that this will not be a full re-opening. There has been much talk of children coming back in phases, with the earliest realistic date of 1<sup>st</sup> June, but nothing has yet been confirmed.

I'm sure all of us feel anxious about the prospect of returning to 'normal' school life, and there are many risk factors to be considered. Rest assured that the safety and wellbeing of everyone is at the top of our list of priorities when planning and risk assessing.

We will be in touch with more information about how the announcements may effect St Peter's as soon as we can.

### Reach For The Stars!

This week the staff have been busy behind the scenes recording another YouTube video for the families. We chose this song because the children are our super stars and we miss them so much. We hope the video makes you smile, and a big thank you to the staff for their effort in putting this together ☺

### Thank you to the children!

This week we received more than 100 photographs of the children with their special messages of hope, which brought huge smiles to our faces! These pictures have been shared as a collage on our school twitter page. SO if you don't follow us already, download the twitter app and follow **@stpetersdag** to get all the latest updates from our school community.
