Friday 19th June 2020

Dear Parents and Friends,

This week we have loved having a 'buzz' back in the school, following the return of over 100 children. Today we had our first whole school assembly in many months using a video call between classes. We prayed together, sang together and celebrated our workers of the week as we usually do. Slowly but surely, we are getting a sense of things beginning to return to normal.

Over the next few weeks, we are planning to hold a video call for each class to bring each group back together before they move up to the next year group in September. More details to follow.

WELLBEING

We now have a dedicated wellbeing page on the school website:

<https://www.st-peter.bardaglea.org.uk/wellbeing>

Mental wellbeing describes your mental state – how you are feeling and how well you can cope with day-to-day life. Consider using this page to improve your mental health and wellbeing, it has a variety of valuable resources and strategies to help both you and your children.

REMINDER
