

Activities at Home

Nursery

Dear Parents

Our topic for Autumn 2 will be: Why do leaves go crispy?

The books we will be using are:

- The Gruffalo
- The Gruffalo's Child
- A selection of non-fiction books about seasons and weather

The areas we will be covering are:

- Seasons
- Clothing for cold and warm weather
- Natural objects - leaves/sticks/conkers
- Change - Hot/Cold Freezing/Melting
- Woodland animals

To help us with this topic we would like you to:

- Go to the library and find other books about seasons
- Talk about changes in the weather
- Talk to your child about what they can see on the way to nursery
- Talk to your child each day, about what they have done in nursery

Family Learning Project - Due in on Friday 9th November 2018

Please go to a local park and collect crispy leaves, conkers sticks and any other natural objects and bring them into nursery for us to talk about.

Also can you bring in a photo of your child collecting the objects to help them talk about what they have done.

Signed:

Miss A. McAuliffe
EYFS Leader/Assistant Headteacher
