into		

Maths Tasks:

How Much Do the Ice Creams Cost?

How much does each ice cream cost? Look at the coins and write the total amount in the circle.

How Much Do the Ice Creams Cost?

How much does each ice cream cost? Look at the coins and write the total amount in the circle.

Other tasks:

Ask a grown up to get you a bowl of water or to put some water in the sink or the bath. It is very important you have an adult to help you with this. Next, find the objects, listed on the table below, around your house and see if they will float or sink in the water. If they float they will stay at the top, if they sink they will fall to the bottom. Tick the correct box when you have found out the answers.

Float or Sink

Objects	Float 	Sink 
 coin		
 pencil		
 cotton ball		
 crayon		
 rubber band		
 wooden stick		

Don't forget that you can send any pictures, photos or work that you do to us (Mrs Jensen and Mrs Sapiano) at the following email address:
