

Time Capsule Project

This half term, you are going to make a Time Capsule. You can do this with your family if you wish.

A time capsule is normally a box, filled with documents and objects considered to be typical of the present period or culture. It is usually buried somewhere safe, to be opened at some point in the future (we don't expect you to bury it). It is intended as a deliberate method of communication for future generations, to experience what it is like to live in our present times.

My name is _____ and I am _____ years old.

How I Feel

I feel...

I am thankful for...

I can't wait to...

*If you have not got a printer, try and recreate it in your home learning books.

My Family

Draw a picture of where you are living.

Draw a picture of who you are living with.

*If you have not got a printer, try and recreate it in your home learning books.

*If you have not got a printer, try and recreate it in your home learning books.

How are you feeling?	How many days have you been at home?	How is homeschooling going?
What has been the biggest change so far?	What are you excited to do once this is over?	What are you enjoying most about being at home more?
What are you grateful for?		
Will you do anything differently once this is over?		

*If you have not got a printer, try and recreate it in your home learning books.
