

Home Learning Tasks – Year 4

Easter Homework

RE:

- Design an Easter card for your family.
- Create a story board, sequencing the Easter Story (use illustrations and captions).

Topic and Music

- Choose to complete some activities from the uploaded *Blue Abyss and Music* home learning ideas sheet.

Use this time to really reflect on the true meaning of Easter and enjoy every moment with your family.

A decorative Easter card with a purple clock on the left, green leaves and purple flowers scattered around, and a faint image of a baby's face on the right. The text on the card is as follows:

the meaning of
Easter

The meaning of Easter is that God loves us and cares about us, desiring only the best and highest good for us.

He's the God of peace, love, and joy. He's the source of every good and perfect gift.

The greatest gift God can give us is His Son, Jesus Christ. In Him God's grace and love are extended to us to meet all of our needs.

Easter begins in our hearts when we receive God's Son, Jesus Christ, by faith.

May you com to know His blessings in your life always... in every way... in everything!

May His life in You Be the REASON for Your Easter Celebration...

He who has the Son has life. 1 John 5:12

Sending all our love and best wishes, Miss Hume and Miss Barnes
