Hi Year 5,

Well done for your hard work with the home learning so far. This morning, at 10:30am, you will be taught a PE lesson via video from Mr Russell! Zoom details have been sent to your families. Don't forget to read about this week's Wednesday Word, 'Generous', by following this link:

Miss Barnes and Mr Miles.

### Tasks for the day:

#### English:

LO: Create vivid imagery through a setting description.

Today we are writing a setting description about the ocean. We will use the ambitious vocabulary that we have gathered over the course of the last few lessons. We will try to include the 5 senses, short sentences, alliteration, similes, metaphors, and personification. We will also practise including relative clauses, which we learned about yesterday. I have also set the challenge of writing along a theme!

Watch the video, and use the English resource sheets, to help you. I would love to read what you write!

**PSHE:**

Think about what your goals are. These could be regarding your hobbies, education, how you care for people etc. Create a mood board/vision board to inspire you to reach your goals. A mood board is a collage of words and pictures together that can inspire you. When you are done put it up in your bedroom. Find some inspirational children's quotes online to help you:
