

- Shy, solitary ray
- Ravenous killer whales circle their victims.
- A penguin looms over the ocean from upon its iceberg, like a security guard.
- Menacing pufferfish surround several fish.
- Violent narwhal
- An ancient, abandoned shipwreck waits patiently to be discovered.
- Sinister sharks
- A blood-thirsty piranha.
- A golden fish flaunts its scales like a catwalk model.
- A squid with eight arms and two tentacles.
- If it looked at you, your heart would stop in an instant.
- The deafening sound of crabs snapping their claws like castanets.
